EVE CHAIR SPECIFICATION SHEET

The Eve chair is a beautiful, neat and versatile slipper chair inspired by Italian mid-century design, made out of beech with a hand-sprung seat and is available in a variety of different wood finishes. It works well as a single or a pair in front of a fireplace, in a dressing room, bedroom or child's room. Its subtle curved back makes it gorgeously comfortable and there is an option to show the cone shaped legs underneath the skirt.
